

"HOW DO I START?" SHE ASKS

Do you want to turn your situation around? Put your talent to great use, or seek ways to be productive? If yes, this book will help you discover your strengths and talents and even identify successful strategies great women have used to scale in life.

This book is both an eye-opener and an inspiration that will motivate you to move from zero to hero. If you want to be motivated as a woman to discover success, this might be the only book you'll ever need.

Helen Majemite (née Siakpere) is a seasoned social entrepreneur and business leader with over 30 years of experience across various industries. As COO of Ceeri Foods and Principal Consultant at Yayi Consulting, she drives operational excellence and social impact.

A champion for women's empowerment, Helen advocates for gender equality and inclusive growth. Her expertise lies in harnessing business acumen to drive social change, focusing on women and youth development.

Helen has been featured in "WeWillLeadAfrica" Volume 3 and is the author of "A Letter to All Women."
